On order of the Court, the application for leave to appeal the May 6, 2021 judgment of the Court of Appeals is considered. We direct the Clerk to schedule oral argument on the application. MCR 7.305(H)(1).

The appellant shall file a supplemental brief within 42 days of the date of this order addressing whether the rescission of an insurance policy under the no-fault act, MCL 500.3101 *et seq.*, bars recovery of noneconomic damages under MCL 500.3135(2)(c) on the basis that the claimant “did not have in effect . . . the security required by [MCL 500.3101(1)] at the time the injury occurred.” In the brief, citations to the record must provide the appendix page numbers as required by MCR 7.312(B)(1). The appellee shall file a supplemental brief within 21 days of being served with the appellant’s brief. A reply, if any, must be filed by the appellant within 14 days of being

served with the appellee’s brief. The parties should not submit mere restatements of their application papers.

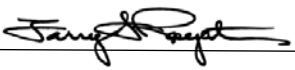

Persons or groups interested in the determination of the issue presented in this case may move the Court for permission to file briefs amicus curiae.
